## **DRONE GOLF BALL DROP CONTEST**

### **Official Contest Rules and Regulations**

At approximately 12:30 pm on August 24, 2018, if weather permits, a drone will drop a load of numbered balls onto a specified area at Bedford Hills Golf Club in Temperance, Michigan. The three balls closest to the pin win. The distance to the pin is measured by the closest point of the ball to the pin as determined by the judges. If more than one ball is equidistant from the pin this will be considered a tie. In an event of a tie, the ball with the lowest ticket number will win the prize. All winnings and prizes will be presented to the winning ticket owner. Participants do not need to be present to win and will be notified by phone or email. In the event of inclement weather, the ball drop will be handled by another means.

#### Prizes:

First prize = \$300  
Second prize = \$100  
Third prize = \$50

In the event that one of the balls goes into the hole, then that individual will be considered the sole winner and will take home all three of the other prizes combined.

All participants must be at least 18 years of age or older as of date of entry. All golf balls cost \$10.00 per ball. Winners will be announced immediately following the ball drop. All federal, state & local taxes are sole responsibility of individual winner. Winners have 30 days to claim their prize after which time the money will go to the Northwest Ohio Human Resources Association. A panel of three judges will determine the winners, and their decision is final and binding. No balls will be sold after 12:00pm August 24, 2018. Any unsold balls become the property of the Northwest Ohio Human Resource Association and are not eligible to win. Anyone purchasing a ball will be assigned a number that will be emailed to them and posted on the website at [Toledoshrm.org](http://Toledoshrm.org) under the events tab.
